## CELEBRATING THE DIVERSITY IN OUR COMMUNITY

**This local, FREE event is not one to be missed!**

Only in its second year, the annual **Sydney Multicultural Festival** continues to celebrate the diversity of cultures within Australia. It stems from the annual festival in Canberra which has been running for the past 18 years.

Two days of music and dancing from all around the world, showcasing multiculturalism and celebrating cultural diversity in the greater Sydney area and particularly in the Northern Beaches.

With performances from morning till late, rides for the kiddies and market stalls offering international food and goods from the many cultures that make up our rich community.

On the evening of Friday the 26<sup>th</sup>, there will be a Dinner Dance to celebrate the start of the festival. Good food and entertainment will get everyone in the mood for the weekend.

**Manly Vale Calabria Bowling and Social Club** present and host the festival each year. Please contact the club on 02 9948 6677 for more information or to purchase tickets for the Friday night dinner.

Harbord **Community Bank®** is proud to be the major sponsor for this event. See over page for more details.

## FRESHIE CAROLS SUCCESS FOR BRIDGE OF HOPE

Last year's Freshwater Christmas Carols always reminds us that we belong to wonderful, generous and high spirited community.

Harbord **Community Bank®** donated battery candles and song sheets for the event for a small gold coin donation. As a result of community contribution, we were able to donate \$1130 dollars to **The Bridge of Hope Foundation in Manado, Indonesia**. This organisation assists local family businesses and facilitates community programs to ensure a better standard of living for the people of Manado. For more information please visit: [www.bridgeofhope.org.au](http://www.bridgeofhope.org.au).

Combined churches of Freshwater & North Manly lead the crowd

## FREE COMMUNITY CPR & FIRST AID COURSE

We have recently been running free CPR & First Aid courses at our local surf clubs - South Curl Curl, Freshwater and North Curl Curl.

Due to the outstanding response from the community and a busy carnival season, courses will resume in April, 2010.

Thank you to all the life saving professionals who contributed their knowledge and volunteered their time to educate members of our community and help save lives.

For more information about this course, please contact Bryn Russell from South Curl Curl SLSC on 0407 278 998.
