## **INDEPENDENT AUDITOR'S REPORT**

To the members of Harbord Financial Services Limited

We have reviewed the accompanying half year financial report of Harbord Financial Services Limited, which comprises the balance sheet as at 31 December 2009, and the income statement, statement of changes in equity and cash flow statement for the half year then ended, a statement of accounting policies and other selected explanatory notes and the directors' declaration.

### **Directors' Responsibility for the Financial Report**

The directors of the company are responsible for the preparation and fair presentation of the half year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the half year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### **Auditor's Responsibility**

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with the Auditing Standard on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the company's financial position as at 31 December 2009 and its performance for the half year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Harbord Financial Services Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by directors or management.

## **Independence**

In conducting our review we have complied with the independence requirements of the Corporations Act 2001.

## **Auditor's Opinion**

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Harbord Financial Services Limited is not in accordance with the Corporations Act 2001 including:

- a) Giving a true and fair view of the company's financial position at 31 December 2009 and of its performance for the half-year ended on that date; and
- b) Complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.
