The financial statements have been prepared on an accrual and historical cost basis.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2022 and any public announcements made by the company during the period.

Note 5. Contingent assets and liabilities (continued)

	31-Dec-22	30-Jun-22
	\$	\$
Contingent liabilities committed at the reporting date but not recognised as payable	<u>195,000</u>	<u>425,000</u>

During the previous period, the Freshwater branch incurred water egress which resulted in water damage to certain plant and equipment. The insurance companies covering the damaged plant and equipment have recently accepted the claims for the rectification and replacement works which are now scheduled to commence in due course.

Since the previous reporting date, the estimated cost of the rectification and replacement works has reduced as the scope of works has been refined and additional quotes have been received.

Contingent assets relate to the above claims from the company to the insurers, for which amounts are reasonably estimated based off the quotes provided and claims lodged with the insurers. However, given the final costings for the rectification and replacement works are yet to be determined, the asset is not virtually certain, and the company has not provided for such amount in these financial statements.

The contingent liability relates to the rectification and replacement works to the damaged property and applicable outgoings.

Note 6. Related party transactions

Arrangements with related parties continue to be in place. For details on these arrangements, refer to the 30 June 2022 annual financial report.

Note 7. Events after the reporting date

No other matter or circumstance has arisen since 31 December 2022 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

Independent auditor's review report to the Directors of Harbord Financial Services Limited

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of Harbord Financial Services Limited (the company), which comprises the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Harbord Financial Services Limited does not comply with the *Corporations Act 2001* including:

- a. giving a true and fair view of the company's financial position at 31 December 2022 and of its performance for the half-year ended on that date
- b. complying with Accounting Standard *AASB 134: Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410: *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the company's financial position as at 31 December 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
